And
from now
on too,

You're
far from
my ideal

Tachi-
kawa-
san,

you
dropped
it

I didn't
think that
we'd get
involved
much with
each other

Ah,
sorry.
Thanks~

Common
features too,
we hardly
have them

about
what kind
of person
you were

That's
what I
thought,

The World's

#1

You guys
really often
come here
to see us
huh...

Tachikawa
Yusa

So you
remember!
Our name!

Ho?

Waaaa~
I'm so glad
I have too
much free
time!

Like
hell I
wouldn't
remember,
right?

You guys
come here for
too often

Ah

Free
ti-

you don't
get with
too much
free time

I'm a High School 1st year student,

Senpai, good luck with your practice!

It's okay! Nana-chan can see the practice until the end! Bye!

Ah... I have to help at the store today

Ah

and am in love with Nishi-senpai whom I've fallen in love with the first sight since the entrance ceremony

No, I came here only for accompanying you...

Is that so? Then I'm going home too

It looks like it's going to rain

Very busy

Anyway, I'm spending my everyday

peacefully and happily

Eh?

Until when you still want to be here, huh?

We're going to close the gate soon

Uwa

I'm amazed
you could
sleep in
such noisy
place like
here...

Yup,
you did

Eh,
Did I fall
asleep?

You didn't
bring one?

Han?

Like hell
I would,
it was so
clear this
morning
right

Ech...

Aah, I'm too
to take anything
what a pain...

Yeah

It's raining,
be careful
on your way
home, got it?

would you
like to enter
mine? Just
until the
station

...Then,

I almost
never talked
with Haruto-
kun before

Ash,
I see

So I'm
taking
shelter
here

I got
trapped
in rain

To be
honest,
he is such
a guy that
left no
impression
at all in
the class

Thanks
God I
remembered
his name

(rude)

Ah,
you're
quite
drenched

コソソ

I
already
ha...

Ah,
it's okay

Wait
here, okay,
I'll bring
food
for you

He also entered a Japanese sweets cafe alone without the slightest hint of feeling embarrassed.

kind of funny, this guy

Omoitose-kunoshite~

Are?

Okay

Such a serious guy~

I think it'll be readable again if it's dried

Ah!

As ideas to read books, I see

That's right, if you free then why don't you try to read this?

It's my book, but I recommend it to anyone so I leave it here~

Your book~

Did your bag get drenched too?

No,

I was reading it while walking when I realized it was already raining.

Eh

...?

Nakazaki-sensei from basket club is just like this character you see...

He is so dreamy~

You like him don't you

That scope

This Re-some character is really my ideal boyfriend material, you see!

Ah, rather than book, it's a manga though

Ideal ~

I get a feeling that what he scope is so mean though

Right?

He's so mean, right?

I see!

It's easy to guess from the flow...

...Some-how

EW

Eeh~ you know?

the
third
wheel
here?

Am
I

I...
see

I get
it,

so
something
like that has
happened

Boong

This
thing
called
human
life is
so...

Bu...
But you see,
love can't
be planned

What
the heck
is that

Yeah

I've decided

I've decided

It's like, I was just enjoying myself went "kyaa kyaa" over him!

Rather than love, my feeling to Senpai was more like admiration

have realized!

I got someone that I love for real!

Eh?

Eeto

Ad...
Actually,

Why so sudden

in the
front of my
girlfriend

!!?

I'm quite
different

What
is he
doing...?

Eeto??

In the
front of my
girlfriend

That's
what Rei-
sama said in
volume 3...

Har-
uta-kun...

Ha..

Eh...?

Haruta-
kun?

Favorably
speaking,
if he overheard
our conversation
just now

and
miraculously
understood
the situation

Haruta-kun
is a genius

The development is too fast...

Is it too forced...?

Wait... It's too unexpected

Of course it is!

you're happy, right?

But then, now,

Then,

okay

Congratulations!

...Yeah

Of course I am!

I've found my true love, after all

It's the best feeling!

—I see

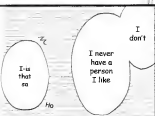

Nana-chan,

Great, you should have just told me!

...I don't
think that
your fall
in love
frequency

is really
matter
about this,
though.

I want
her to
treasure
it no
matter
what

Maybe
I'm just
a cold
person

I think
that

how you
can quickly
think other
person is a
nice person
is also a
talent

Ahaha!

T-
talent...

I myself
never have a
person that
I like

but now, he becomes a person that I can talk about my true feelings

Thanks

Senpai...

After
this, I
wonder if
I can talk
to him like
normal...

Going
to see his
practice...
I wonder if
I can't do
that anymore

It was
started
only by love
in the first
sight but,

I
neither
have the
courage

nor plan
to confess
but

day by day,
I like him
more and
more

seeing how
he is taking
the practice
more seriously
than anyone.

seeing
how the
juniors
adore him
even though
he is scary,

What the heck with that maybe

Okay

I've been always interested in you too

Thank goodness

I see

Always...

I
realized
it

Thank
goodness

フム

Haa

Ah

Haa..

Haa

I can
cry,
right...?

I'm
so sad
too...

It's
only for
now

At
the
end,

You're
really a
weird
person

If it
makes you that
sad, why do you
fall in love
in the first
place?

I
confessed
to Senpai!

Where
are you
now?

h-
hello

Yusa?

Nana-
chan said
she's coming
here!

Waa...
What
should
I do?

She
sounds so
happy...

I want
to report
to you
directly,
stay there!

pip

Now...
I'm on
the shoe
racks
I'm already
going home,
tomorrow...

Ah,

it's no
good

Wh-

what
should
I do?

Wh...
Will she
know that
I cried?

Yeah

Nana-
chan's

foot-
steps...

Yusa!

!?

!!?

Ask her
about the
confession
tomorrow

...Ah,
Sugio-
san

Now we're
in the middle
of having a
good time

I'm
sorry,
okay?

No one
is looking

It's
okay

for you
to cry
again

I fall
in love
often

Until now,
I have a lot
of guys that
I liked

But
crying
on a guy's
arms.

you're
the first,

Haruta-
kun
